S i r,

Subject -Draft Bye-laws to privide for "Reasonable space in firewood depots" in Mysore City-

I have the honor to state that, instances of stocking and splitting firewood on public paths, lanes, etc , near firewood depots having been noticed, the question of enforcing the existing Bye-laws contained in Chapter XXIV of the Printed Bye-laws, so far concerning the licensing of thesale of firewood was considered The conditions under which a license could be granted

granted are defined in Bye-law No 8, page 177-178 of printed Bye-laws, which, however, does not regulate the space for splitting firewood, etc , in such firewood depots Proposals for making suitable Bye-laws thereto were, therefore, placed before the Health Committee on 13-1-1942, who referred the matter to the Legal Committee The Legal Committee resolved in their meeting held on 17th April 1942 that the addition of a Bye-law as 8(7) on page 178 as Every Firewood depot shall have reasonable space for splitting firewood" would amply meet the question raised The Municipal Council approved of the Legal Committee's Resolution in their meeting held on --- 31st July 1942

As required by Section 51 (2) of the City Municipalities Act, the draft Bye-laws were notified in the Mysore Gazette dated 27-8-1942 Part III - 3 page 176, for the information of the persons likely to be affected thereby As no objections were received in this behalf the Municipal Council, in their adjourned general meeting held on 1st February 1943, approved of the draft Bye-laws I enclose herewith the extracts of the relative resolutions quoted above together with a copy of printed notification for the information of Government

I request you to kindly obtain sanction of Government to the proposed Bye-law early, to facilitate the restriction of deposit of timber outside the depot area

I have the honor to be,
Sir,
Your most obedient servant,

PRESIDENT 11 2
